TIKGAMES AND CREAT STUDIOS TO LAUNCH DEDICATED PUBLISHER PAGE ON THE PLAYSTATION® NETWORK

Seven TikGames and Creat Studios Titles On Sale for Half Price for Two Weeks as Publisher Page Launches April 1st in North America

March 29, 2010 – TikGames (San Mateo, CA) and Creat Studios (Canton, MA) today announced the two companies will launch a Publisher Page under the TikGames/Creat Studios banner on the PlayStation® Network in North America, to be dedicated to their games, themes and wallpapers. With nine partnered and individual titles between them, the two companies have released more native PlayStation® 3 games for PSN than any other company, including the recent acclaimed action titles *Wakeboarding HD* and *Hamster Ball*.

To celebrate the Publisher Page's grand opening, TikGames/Creat Studios will place their previous seven titles on sale at 50% of their standard retail price. Fan favorites like *Magic Orbz*, *Mushroom Wars* and *Cuboid* can be purchased for just \$4.99; the fast-paced excitement of *Smash Cars* will be available for only \$7.49. *Interpol*, *Mahjong Tales* and *Digger HD* can also be downloaded for half off.

"TikGames is ecstatic to offer all of our current and future games on our new storefront and continue to show our support and dedication to the PlayStation® Network." said Anatoly Tikhman, Founder and CEO of TikGames, LLC

Since launching their first three titles in January of 2009, TikGames/Creat Studios has emerged as a premier developer and publisher for the PlayStation® Network. The partnership between the two companies continues to deliver quality downloadable, next-generation console games, and take advantage of capabilities only found on the PlayStation 3.

"Creat Studios continues our commitment to bring players the most engaging and entertaining titles on PlayStation® Network, and we are thrilled to work with Sony to present them together in one convenient digital space." said Vladimir Starzhevsky, co-founder and CEO of Creat Studios, Inc.
